

RHSI PARTNER GARDENS 2020

The Royal Horticultural Society of Ireland is immensely grateful to all the owners of our Partner Gardens who generously offer RHSI members either free or a 50% discounted entry to their prestigious gardens. To gain entry to all Partner Gardens on public open days, members must present their current membership cards at the Entrance.

The RHSI Partner Garden Scheme is now in its eighth year and is comprised of distinctive and diverse gardens across the island of Ireland. We encourage members to take advantage of this unique opportunity by visiting these impressive gardens that offer inspiration to gardeners and which display high horticultural standards in design, planting and maintenance. As new gardens are joining the Partner Garden Scheme throughout the year, please check on our website for updates.

Denotes 50% Entry for Members.

Please Note:

The Scheme does not apply to non-members, guests of members or members participating in organised groups or tours.

- Please check the gardens for opening dates, times and directions on rhsi.ie/partner-gardens or call the gardens before setting out on your visit.
- By using the Eircodes included on each garden listing, members using Smartphones will be taken directly to their destination.
- There could be a nominal charge for tours, refreshments or for special events in some gardens.
- Don't forget your current Membership Card.
